Azamandius brought up Sir. Macavelli attendance, and requested to know if he was in violation of the Corpora's standard for holding kingdom office.

The Prime Minister stated yes he was in violation of the Limits of Office for regent.

And subsequently Sir Macavelli descended from office, and it was left to Sir. Deklend to discuss this with Sir.Mac. The office of Regent was left unoccupied for the time being. Sir Dekland will be updating the populace as soon as that information becomes available.
