If initially approved, your group will undergo a six-month trial period. This trial period will include two monarch sanctioned visits to your group, and will require the forwarding of all attendance records to the Prime Minister of the Rising Winds for inspection and approval during this trial period. Upon termination of this trial period, the RW-BOD will make a final vote with regards to your group's acceptance into the Rising Winds.

The RW-BOD will require new groups to align their election schedules with ours. Monarchs are elected in March and September. It will also be necessary to forward all attendance records to the Prime Minister of the Rising Winds for their inspection and approval on a regular basis.

We thank you for your interest in becoming a part of the Rising Winds and we look forward to making you and your group a part of our ever growing family. It is our goal to provide the highest level of support, fun and excitement that we can in this part of the country.

In service, The Rising Winds Board of Directors
